August 2009

Dear Friends,

Every student cherishes the fundamental learning experiences at St. John the Baptist Catholic School. The mission to provide a nurturing environment so one can achieve outstanding academic and spiritual education has become our tradition.

As the Parent Teacher Group, we share the same values and come together each year to develop activities and community-building programs that help supplement the means necessary for the school to keep its dynamic curriculum. Today, the PTG embraces a greater challenge with a steady decline in enrollment and increasing operating needs.

That is why we are conducting our first ever Annual Appeal. The Annual Fund addresses the priorities that enhance the opportunities of our children. Your tax deductible unrestricted gift is an investment to our school and most importantly makes an immediate impact on this year's activities. Your contribution will lay out the foundation of our future and surely will make a lifetime of difference.

We are reaching out to you to please help us continue our mission, and invite you to be part of our vibrant community. Thank you for supporting us in advance. May God bless you and your family.

Sincerely,

M. Teresa Barber
